

# eBooks for K-5 Learners

Engaging topics for enrichment learning and homework help.

When kids uncover their passion for reading, they become more enthusiastic about learning. That's why Gale is dedicated to providing libraries with trusted content that allows children to explore new ideas, expand their knowledge, and develop critical, future-ready skills.

With *Gale In Context: Elementary* and *Gale eBooks: Student Collections*, young learners can have greater access to high-quality content covering core subject areas and interests.
