✸ GALE

Gale, here for **everyone.**

> "Students are pleasantly surprised that the article is in their Google Drive once they download it ... that content gets pushed for storage to their G Suite for Education resources ... and that the citations are in EasyBib and are formatted and ready to turn in. They are realizing what reliable sources, properly cited, are all about."

*Trevor Foglesong, Librarian, Upland High School*

MASTER WORKFLOW

Expand access and increase discovery by integrating Gale resources into your learning management system. Add to that the power of **Google Workspace for Education** and **Microsoft 365** tools, which enable users to easily share, save, and download content—including highlights and notes.
