Gale In Context: Middle School

EMPOWER BRIGHT FUTURES

Middle school students' needs are very different than those of elementary students, which means the way they access content has to keep up.

Gale In Context: Middle School supports the developing information and digital literacy skills of middle school students. Young researchers are inspired by how quickly they can navigate and find the answers they need—anytime and anywhere.

RELIABLE RESOURCES FOR A NEW GENERATION OF RESEARCHERS

ALIGN WITH TEACHING STANDARDS
Over 300 topic pages provide content that supports national and state curriculum standards for grades 6 to 8 in English language arts, social studies, and science.

COVER A WIDE RANGE OF TOPICS
Content is written explicitly for middle school students on a variety of topics, including government, U.S. and world history, geography, literature, science, and social issues.

ACCOMMODATE DIFFERENT LEARNING STYLES
Features a variety of nonfiction, informational text, and formats, including books, images, audio, video, newspapers, primary sources, and more to support learning.

PROVIDE AUTHORITATIVE INFORMATION
Content is provided from proprietary Gale, UXL, and Lucent Books® titles and from leading sources, such as National Geographic, NPR, NASA, AP video news, and more.

MASTER WORKFLOW

Expand access and increase discovery by integrating Gale resources into your learning management system. Add to that the power of **Google Workspace for Education** and **Microsoft 365** tools, which enable users to easily share, save, and download content—including highlights and notes.

PLATFORM TOOLS
Accommodate learners with on-demand article translation into 50 languages and ReadSpeaker text-to-speech technology into more than 20 languages.

SEARCH FUNCTIONS
Researchers can search by Lexile range or find content based on basic, intermediate, and advanced levels of complexity.

CITATION TOOLS
Integrated directly into the user's workflow, MLA, APA, Chicago, and Harvard style citations are supported and can be easily exported to citation services like EasyBib or NoodleTools.

HIGHLIGHTS AND NOTES
Organize, save, and share highlights and annotations within content.
