❄ GALE

Gale, here for **everyone.**

> "I've used Gale for years as an essential database for my students in my global history and geography classes. It's made research so much easier. I've even had students say they used what we learned in my class about using Gale in other classes. If we are moving towards a PBL model that involves 'transfer' skills, then databases like Gale are needed now more than ever."

Eric Anderson, Thomas A. Edison Career Tech Inst. High School, NY

MASTER WORKFLOW

Expand access and increase discovery by integrating Gale resources into your learning management system. Add to that the power of **Google Workspace for Education** and **Microsoft 365** tools, which enable users to easily share, save, and download content—including highlights and notes.

Product screen capture as of May 2024. Actual interface may vary.

PLATFORM TOOLS
Accommodate learners with on-demand article translation into 50 languages and ReadSpeaker text-to-speech technology into more than 20 languages.

SEARCH FUNCTIONS
Researchers can search by Lexile range or find content based on basic, intermediate, and advanced levels of complexity.

CITATION TOOLS
Integrated directly into the user's workflow, MLA, APA, Chicago, and Harvard style citations are supported and can be easily exported to citation services like EasyBib or NoodleTools.

HIGHLIGHTS AND NOTES
Organize, save, and share highlights and annotations within content.

PART OF THE AWARD-WINNING GALE IN CONTEXT SUITE
The *Gale In Context* suite of student databases meets the needs of today's learners with a user-friendly, mobile-responsive design. Eye-catching, engaging, topical resources provide current, authoritative, media-rich content that seamlessly integrates with curriculum-aligned materials that span core subject areas.

GET THE MOST VALUE OUT OF YOUR INVESTMENT
Gale In Context: For Educators gives teachers the power to amplify the rich content within *Gale In Context: World History* in their classrooms. When used in conjunction with *For Educators*, teachers can:

- Access prebuilt lesson plans with differentiation tools and quizzes to check for student understanding.

- Use curation tools to collect a variety of resources into lesson folders, making it easier to pair *Gale In Context: World History* content with other contextual Gale content or outside materials and links that might be useful.

- Customize assignments to embed instructions, writing prompts, or critical thinking questions, all within existing student workflows.
