

MUST-HAVE eBOOK TITLES TO EXPAND YOUR K-5 CONTENT

Product screen capture as of November 2024. Actual interface may vary.

Whether at home or in the classroom, students center their learning around the information that's offered to them. That's why it's important to remove barriers to learning and make discovery intuitive for everyone, especially young students who are just beginning to navigate digital tools.

With *Gale In Context: Elementary*, students have easier access to K-5 content—all in one place! This encourages them to move at their own pace through periodicals, videos, and more to find information on a wide range of topics with kid-friendly visuals and prompts. To make it even easier for kids, they can now access your K-5 eBooks from Gale directly within *Elementary*. To make it easier for you, our eBook curators created the Jump Start Collection!

GO ALL IN

To make cross-searching across Gale resources seamless, we've added access to eBooks right inside *Gale In Context: Elementary*. This connects students directly to your K-5 eBooks from Gale—giving them uninterrupted access to all elementary school content within one platform. And with our new, simplified eBook view and improved ReadSpeaker, students can read and explore easier than ever before.

ENGAGE YOUNG LEARNERS

Students can go more in depth into any of the 11 main topics in *Gale In Context: Elementary* with our growing selection of K-5 eBook titles. The Jump Start Collection is a carefully curated starter bundle of over 120 eBooks that focus on these core subjects, including geography, science, social studies, and more. Take advantage of our discounted bundle price and grow an eBook collection that meets the needs of your youngest learners.
