GALE IN CONTEXT ELEMENTARY

GALE EBOOKS

Students center their learning around the information that's offered to them. That's why it's important to remove barriers to learning and make discovery intuitive for everyone, especially young students who are just beginning to navigate digital tools.

With *Gale In Context: Elementary* and Gale eBooks: Jump Start Collections, students can have greater access to K-5 content—that's all in one place! This encourages them to move at their own pace through periodicals, videos, and more to find information on a wide range of topics with kid-friendly visuals and prompts. To make a bigger impact on student learning, you can purchase *Elementary* and the Jump Start Collections together. Students will have access to your Jump Start Collections directly within *Elementary*.

GO ALL IN

Make cross-searching across Gale resources seamless. Students can access *Gale eBooks* right from *Gale In Context: Elementary.* Connecting students directly to your K-5 eBooks from Gale gives them uninterrupted access to all elementary school content within one platform. And with our simplified eBook view and improved ReadSpeaker, students can read and explore easier than ever before.

ENGAGE YOUNG LEARNERS

Students can go even deeper into any of the 11 main topics in *Gale In Context: Elementary* with Jump Start 2 eBook Collection. This collection is a carefully curated bundle of eBooks that focuses on these core subjects, including geography, science, social studies, and more. Take advantage of our bundle price and continue to grow an eBook collection that meets the needs of your youngest learners.
